The proposed facility is expected to commence its operations by latter part of Q4. There is delay of about 45 days in completion of work which is due to heavy rains in Sept/Oct 22 and also due to expansion in construction from 41000 to 73500 sq. feet.

All the machines are already ordered and are expected to be at our plant site by End of January 2023. And glass processing machines would be installed in June 2023. Further, pictures of the plant has been attached herewith.

You are requested to kindly note the same.

Thanking you,

Yours faithfully,
