Aditya Kaushik

DIN: 06790052

Aditya Kaushik is the Managing Director of Inflamm Appliances Limited and a seasoned entrepreneur with over 20 years of experience in the home appliances industry. Throughout his career, he has cultivated deep industry insight, particularly within the Indian market, across both commercial and technical domains.

He holds a two-year diploma in Air-Conditioning and Refrigeration, which provided the technical foundation for his operational expertise. At Inflamm, Aditya spearheads operations and logistics, ensuring efficiency, reliability, and excellence across the company's value chain.
