Anusheel Kaushik

DIN: 10091002

Mr. Anusheel Kaushik, is a Whole-Time Director at Inflamm Appliances Limited. He holds a Bachelor's degree in Mechanical Engineering and a Master's in International Business Management from the University of Applied Sciences, Landshut, Germany.

Anusheel brings international experience to the organization, having worked in the Research & Development division of the BMW Group in Munich, where he was responsible for vehicle assembly planning in coordination with BMW's IT sector. He further enhanced his expertise in PLM, project management, and data analysis during his tenure as a consultant with MHP – a Porsche company in Germany.

Fluent in German and possessing a B1 competency level in Spanish, he combines technical acumen with cross-cultural insight. At Inflamm, Anusheel is leading the implementation of a new manufacturing facility in Maheshwaram, Hyderabad. Leveraging his global exposure and operational experience, he is spearheading the integration of advanced European systems to elevate the company's manufacturing capabilities.
